Oldham County Homeowners Associations

Dear Homeowner Associations:

Oldham County is currently attempting to build an airport. While this might have been a good idea 10 years ago, when the county was less populated, it is not a good idea now.

The Airport Board has announced three proposed airport sites to the public, but there is evidence that another site may be in consideration as well. Frankly, we just don't know where the final site will be. Regardless of where it is built, the noise levels will go up in Oldham County, and the price of homes near the airport will go down. An airport opens up the possibility of higher property taxes if an airport taxing district is created. While we may be uncertain which airport site will be the final selection, NOA is convinced that most residents do not want the negative impacts of a general aviation airport.

No Oldham Airport —NOA—is a grassroots organization dedicated to protecting the property values of homeowners in Oldham County . It seeks to stop the building of an airport and have the current airport board dissolved.. Only then, will homeowners be able to breathe easier. Through public education, persuasion, appeals to local, state and federal representatives, even litigation—if required-- NOA intends to accomplish its goals.

We will need financial assistance to pursue a comprehensive media campaign and retain legal representation, if that is necessary. We respectfully request that each homeowners association make a contribution to NOA. We believe that collectively we can accomplish what individuals, or individual neighborhoods, cannot.

NOA would also like your support in asking your homeowners to sign a petition against an Oldham County Airport . The petition is available at www.nooldhamairport.com. At this website, individuals can also keep fully informed about the airport initiative.

Maintaining the property values of its residents is one of the top priorities of any homeowners association. We believe that our actions are consistent with that priority. We hope we can count on you for financial support. You may send any contributions to:
NOA, P.O. Box 373 Crestwood, KY 40014.

Thank you for your support,

Jan Jasper,
President of the Grand Dell Homeowners Association

NOA Representative
